

SDG Briefing Week 4

Steps to complete this week:

1. Review this infographic and the video
2. Log into the [Ultimate Dialogue Adventure](#). Complete the topic on Biodiversity
3. Attend a video conference for the topic
4. Log back in and complete the post-conference survey

Overview:

SDG #15: Life on Land aims to protect, restore, and promote the sustainable use of terrestrial ecosystems by 2030. Its 12 targets focus on ending deforestation, halting biodiversity loss, combatting desertification, and ensuring the sustainable management of forests. These targets call for urgent policies and programs to protect wildlife, conserve natural habitats, and prevent the extinction of threatened species.

Current statistics:
